phone number, fax, e-mail:

Additional information about PPE

Number of samples:

I declare that:

The PPE whose Technical Documentation I present has been designed and manufactured:

in compliance with the requirements of the following harmonized European standards and these standards cover all applicable essential requirements (which give a presumption of conformity), including the date of the standards:	
---	--

.....	
in compliance with the requirements of the following articles of harmonized European standards (these standards cover all applicable essential requirements that give a presumption of conformity), including the date of the standards:	
other technical specifications	

In support of this application:

- I enclose the Technical Documentation of PPE, as each sheet of document is signed by a responsible representative.
- Inventory of the documents contained in the Technical Documentation.
- I enclose representative sample(s) of PPE for the intended production.

*CTEC LTD may require additional samples if necessary for carrying out the test.
For PPE in series production, where each product is adapted to the needs of an individual user, samples are provided that are representative of the spectrum of different users, and for PPE produced as a single product for an individual user, a basic model is presented.*

.....
.....

I declare that I am aware that CTEC LTD uses approved subcontractors / testing laboratories to perform the tests concerning the implementation of the procedure for "EU type examination".
